DEFEND TRADE SECRETS ACT 2017 UPDATE

When the Defend Trade Secrets Act (“DTSA”) was enacted in May 2016, it was seen as a significant development in trade secret law. More than a year and a half later, what has changed? Join our distinguished panel as they discuss the current state of trade secret law under the DTSA and consider its application to a hypothetical fact pattern that will highlight emerging issues, including the availability of ex parte seizure as a remedy and the protocol for discovering ESI in trade secret cases. Panelists for this program include: The Honorable Nora Barry Fischer, U.S. District Court Judge, Western District of Pennsylvania, The Honorable Mark R. Hornak, U.S. District Court Judge, Western District of Pennsylvania, David G. Oberdick, Of Counsel, Meyer Unkovic Scott, and Joseph Decker, Vice President & General Counsel, bit-x-bit. The panel will be moderated by Gregory M. Monaco, Senior Attorney, FedEx Ground. This program is eligible for one hour of Pennsylvania CLE credit.
