## FOR IMMEDIATE RELEASE

---

### ***bit-x-bit Hires Duc Nguyen as eDiscovery Services Manager***

---

**PITTSBURGH, August 26, 2019** - bit-x-bit is pleased to announce the addition of Duc Nguyen (CSAP, GCFE, CFCE), to its management team. With over 20 years of technical experience and extensive certifications, Duc has worked both with law enforcement as well as large national and international companies. He has testified as an expert witness in numerous matters and held core forensics roles with RGL, Inc., JPMorgan Chase, and the Fort Worth Police Department.

As eDiscovery Services Manager, Duc is responsible for the overall management and delivery of e-discovery services for bit-x-bit's clients from preservation, processing, and the analysis of electronic evidence to its review and production. He will work closely with clients to promote efficient, cost-saving workflows, and to help clients gain better insights into their data using sophisticated data analytics tools and analysis.

---

*"Nearly every story has a hidden truth," said Duc Nguyen.  
"We're here to help our clients find it."*

---

"Duc's wide range of experience in digital forensics, incident response and e-discovery will enhance and deepen the services we provide to our clients. His experience as an expert witness on numerous types of electronic evidence matters will be of considerable value to our clients as we are increasingly asked to provide this support and expertise," said Brett Creasy, President and Director of Digital Forensics. The bit-x-bit team is also excited to have Duc's leadership, expertise, and guidance related to project management, team mentoring and training, as well as business and work process improvements.

Duc advocates tirelessly to get to the necessary information and electronic evidence for his clients. "Nearly every story has a hidden truth," remarked Duc. "We're here to help our clients find it." Duc holds several core certifications, including CompTIA Security Analytics Professional (CSAP), Global Information Assurance Certification Certified Forensics Examiner (GCFE), and IACIS Certified Forensic Computer Examiner (CFCE). In addition, Duc was an avionics electrician and computer programmer for the United States Marine Corps.

**About bit-x-bit:** Founded in 2007, and exclusively endorsed by the Allegheny County Bar Association since 2008, bit-x-bit is a digital forensics, e-discovery, cybersecurity and incident response consulting firm providing expert technical services to law firms and companies of all sizes, including the AMLAW 100. For more information, please call 412-325-4033 or visit our website at [www.bit-x-bit.com](http://www.bit-x-bit.com).
